

## General Conditions for services procurement

These General Conditions for services procurement, which include the Appendices referenced herein and attached hereto (hereinafter referred to as the “Agreement”), apply to the procurement of Services and Deliverables (as defined here below) by **GE Avio S.r.l.**, a limited liability company with a sole quotaholder, incorporated under the laws of Italy, registered office in Rivalta di Torino (TO), Via I Maggio no. 99, paid-in capital €40.000.000,00 fully paid, registration number on the Torino company register, tax code number and VAT number 10898340012, REA of Torino no. 1170622, management and coordination: General Electric Company (hereinafter referred to as the “Purchaser”).

Purchaser and the Supplier as identified at the end of this document, are referred to herein individually as a “Party” and collectively as the “Parties”.

### A. Scope of Agreement

(1) This Agreement sets forth the terms under which Supplier agrees to provide Purchaser with Services and Deliverables, as defined below.

The term “Services” means any and all services provided by Supplier to Purchaser as set forth in this Agreement, including SoWs (as defined below) and Purchaser Purchase Orders (“POs”) issued hereunder.

The term “Deliverables” means all items in tangible and intangible form, including inventions, discoveries, works of authorship, programs, derivative works, source code, object code, ideas, techniques, methods, processes, information, data, documentation and materials, that Supplier (including any “Supplier Personnel” as defined in Section 2.2 below) creates, prepares or delivers to Purchaser, or otherwise produces, conceives, makes, proposes or develops, as a result of this Agreement and one or more SoWs.

Each individual services assignment under this Agreement shall be set forth in a statement of work in the form attached hereto as Appendix A (hereinafter referred to as the “Statement of Work” or “SoW”).

(2) Notwithstanding anything to the contrary, it is the express understanding of the Parties that (i) Supplier’s relationship with Purchaser is not exclusive; (ii) Purchaser has no obligation to enter into any SoW with Supplier and nothing herein shall be construed to be a minimum commitment to Supplier; and (iii) any Purchaser obligation to purchase anything from Supplier is limited to those Services and Deliverables expressly set forth in a SoW that has been duly executed by authorized representatives of both Parties, or in a PO.

### B. Statements of Work

(1) The terms of a SoW, together with any exhibits referenced herein or therein, shall define the scope of Services for a particular assignment under this Agreement.

Each SoW shall specify, at minimum, (i) the project objectives, (ii) the Services to be performed; (iii) the Deliverables (if any), (iv) the Parties’ respective Project Managers and Supplier’s Coordinator/Contact person (if any), (v) Purchaser’s responsibilities (if any), (vi) any and all Supplier pre-existing intellectual property (if any); (vii) the amount, schedule and method of compensation to be paid to Supplier by Purchaser; and (viii) the term of the SoW, if different from the term of this Agreement.

Parties’ respective Project Managers shall: (a) engage in all communications regarding the Services and/or Deliverables; (b) arrange and attend any necessary meetings; (c) supervise and manage Supplier’s performance of Services and/or transfer of Deliverables; (d) ensure that each Party’s responsibilities have been met on a timely basis; and (e) jointly approve any changes to the Services and/or Deliverables to be made in response to Change Orders. Either Party may change its designated Project Managers at any time upon written notice to the other Party’s Project Managers.

The direction, control and coordination of Supplier Personnel who, under this Agreement, might (if necessary) be required to operate, in a fixed or at least periodically, at Purchaser’s premises is assigned to a Supplier’s Coordinator/Contact person. Furthermore, the Supplier Coordinator/Contact person is the only representative of the Supplier entitled to interface with the Purchaser for any coordination activities might occur.

The SoW, exhibits, detailed instructions, and task descriptions agreed to in writing by the Parties’ respective Project Managers collectively constitute the “Specifications” for the Services to be performed by Supplier under that SoW.

(2) Each SoW will be separately executed, and when so executed, is hereby incorporated by reference and becomes a part of this Agreement. The terms of any SoW contrary to the terms of this Agreement shall supersede the terms of the Agreement to the extent that the SoW specify the article of this Agreement that the SoW is amending and if the SoW is executed by authorized representatives of both Parties. Such amendment will be applied only to that specific SoW. Each SoW, together with the terms of this Agreement, shall constitute and be construed as a separate agreement. Supplier shall not commence performance of any Services under this Agreement or any SoW hereunder until it has received a PO from Purchaser referencing this Agreement and the applicable SoW, and no Purchaser financial obligation will arise absent a PO.

(3) Should Purchaser desire a change in the scope of the Specifications, a written request for changes may be made in writing and delivered to the Supplier's Project Manager. Both Parties' Project Managers shall review the proposed change and decide to conduct further investigation or reject it. The investigation shall determine the effect that the implementation of the change shall have on the Specifications and other terms of the affected SoW. Upon completion of the review, any changes in Specifications or other terms shall be documented in writing and signed by the Parties' respective Project Managers. If, despite diligent and good faith negotiations, the Parties fail to agree on the character or effect of a change to the Specifications, then at Purchaser's option (a) Supplier will continue performing the services under the applicable SoW without changes to the Specifications, or (b) Supplier, immediately upon written notice from Purchaser, will cease performing the Services and Supplier will receive payment for Purchaser-accepted Services performed up to the time of such notice from Purchaser in accordance with the terms of this Agreement and the affected SoW.

(4) Notwithstanding anything to the contrary, all of Supplier's Services and Deliverables will be subject to review and written acceptance by the applicable Purchaser Project Manager based on the requirements of this Agreement, as well as the applicable SoW and Specifications, and no payment will be due before such acceptance, which will not be unreasonably withheld. Supplier will correct all deficiencies found during such review at no charge to Purchaser. Any claims that Purchaser may have under this Agreement will survive such review, acceptance and payment.

## **1. Term & Termination**

1.1 The term of this Agreement shall be defined in the PO, unless terminated earlier in accordance with this Section 1.

The term of this Agreement may be extended subject to a written document signed by both Parties. The above term and any such extension terms, if any, are collectively referred to herein as the "Term". Notwithstanding the foregoing, the terms of this Agreement shall continue to apply with respect to any outstanding SoW until such SoW is completed or terminated as set forth below.

1.2 For the entire duration of the Agreement, and also after its expiration, the Parties will cooperate in order to respect the article 29 subparagraph 3 of Law Decree No. 276 of September 10, 2003 as amended or supplemented, and any other applicable provisions according to national collective agreements.

1.3 This Agreement or any SoW(s) (even partially) may be terminated as follows:

(a) without cause with thirty (30) calendar days' prior written notice to Supplier by Purchaser; or

(b) with cause in the event a Party breaches any material obligations hereunder, which breach has not been cured within thirty (30) calendar days after receipt of written notice of such breach by the non-breaching Party or within such additional cure period as the non-breaching Party may authorize in writing (provided, however, that the non-breaching Party may terminate immediately upon the breaching Party's receipt of written notice from the non-breaching Party to the extent the breach is incapable of cure); or

(c) effective immediately, in the event the other Party (i) makes a general assignment for the benefit of its creditors, (ii) is subject to the appointment of a trustee or receiver or similar officer of the court for any of its property, or (iii) files or have filed against it a petition under the bankruptcy or insolvency laws to the fullest extent permitted by the governing law; or

(d) effectively immediately by Purchaser if (i) Supplier suffers a material adverse change in its financial conditions that affects its ability to fulfill any of its obligations under this Agreement, or (ii) there is a change of control with respect to Supplier. A "change of control" means (a) the sale of all or substantially all of the assets of Supplier; (b) any merger, consolidation or acquisition of Supplier with, by or into another corporation, entity or person; or (c) any change in the ownership of more than fifty percent (50%) of the ownership interest, including, but not limited to, the voting capital stock, in Supplier in one or more transactions.

1.4 In the event that Purchaser terminates this Agreement or a SoW in accordance with Section 1.3(a), Purchaser's sole liability, and Supplier's exclusive remedy shall be limited to those undisputed and unpaid Fees due under the applicable SoW for Services and Deliverables provided to and accepted by Purchaser up to the effective date of said termination.

1.5 Upon termination or expiration of this Agreement or SoW (whichever is applicable), (a) Supplier will immediately cease all use of Purchaser Confidential Information, and shall deliver to Purchaser all items containing, embodying, relating to or comprising Purchaser Confidential Information, as well as all Deliverables regardless of completion (Supplier shall not retain copies, in whole or in part, of any of the foregoing); (b) any payments that may have been made by Purchaser to Supplier in advance, which are in excess of amounts due Supplier after the effective date of termination in accordance with this Section 1 (if any), will be refunded to Purchaser within thirty (30) days following the effective date of termination or expiration (whichever is applicable); (c) any property, including Purchaser's Physical Property as defined in Section 5.5 below, that was provided by Purchaser to Supplier without obligation of payment by Supplier will be immediately returned to the Purchaser Project Manager in the same condition that such property was received (less normal wear and tear) by no later than the effective date of such termination or expiration (whichever is

applicable); and (d) Supplier shall promptly provide any undelivered work in progress and/or Deliverables to Purchaser. Termination will not prejudice either Party or affect either Party's right to require performance of any obligation due at the time of termination. It is acknowledged by both Parties that the rights and obligations of the Parties set forth herein which by their nature would continue beyond the termination or expiration of this Agreement shall survive any termination or expiration, including the provision of the article 5 below.

1.6 In the event of termination or expiration of this Agreement, or applicable SoW, and Purchaser shall pay Supplier any outstanding undisputed Fees (as defined in Section 6.1) in accordance with the terms of this Agreement. If this Agreement is terminated, and Purchaser elects in writing, Supplier will complete all work in process as defined in the affected SoW(s) and adhere to the terms of this Agreement until completion. If Purchaser terminates any applicable SoW, Purchaser shall be entitled to a prorated refund of any unused Fees paid to Supplier prior to such termination.

## **2. Representations and Warranties**

2.1 Supplier represents and warrants that it has all power, authority, rights and licenses, to enter into this Agreement.

2.2 Supplier: (a) warrants that the Services rendered under this Agreement shall be provided by Personnel regularly employed as subordinated worker and executed in a competent and professional manner in accordance with the highest standards and best practices of Supplier's industry; and (b) represents and warrants that it has or will obtain appropriate agreements with Supplier Personnel sufficient to enable full compliance with all the provisions of this Agreement; and (c) undertakes to provide to Purchaser, on a quarterly basis, a valid certificate confirming compliance with the payment of the social security charges for Supplier Personnel (DURC - "Documento Unico di Regolarità Contributiva"). As used in this Agreement, "Supplier Personnel" shall mean all persons and entities providing any Services and/or Deliverables under this Agreement, including Supplier's employees, agents, contractors, subcontractors and suppliers, as well as anyone directly or indirectly employed or retained by any of them.

2.3 Supplier represents and warrants that Purchaser's exercise of the rights and licenses provided herein will not constitute an infringement or violation of any patent, copyright, trade secret or other proprietary rights of any third party.

2.4 Supplier warrants that it shall use all commercially reasonable efforts to fulfill its obligations under this Agreement, including all SoWs, as defined and described herein and therein, and that time is of the essence.

2.5 Supplier warrants that all Services and Deliverables will be provided to Purchaser free from any claims of any nature, including, without limitation, defects in title, and free of all liens, claims, or encumbrances.

2.6 Supplier warrants that all Services and Deliverables will conform in all respects with all Specifications and requirements set forth in this Agreement, including the applicable SoW, as well as such other requirements approved or adopted by Purchaser in writing.

2.7 Supplier warrants that it will comply with all applicable laws, legislation, rules, regulations, codes and standards of governmental agencies or authorities having jurisdiction over the activities relating to this Agreement and any relevant SoW.

2.8 Supplier represents and warrants that the Deliverables are free from defects in design, material, and workmanship, whether latent or patent.

2.9 Supplier represents and warrants that no Deliverable, in whole or in part, (a) is licensed pursuant to any open source software license; (b) incorporates, integrates with, links to or is based on any open source software; and (c) is subject to, any open source software, freeware, or free use software license terms, including, without limitation, the GNU Public License, the GNU Lesser General Public License, the Mozilla Public License, the Common Development and Distribution License, the Eclipse Public License, or any other license that requires in any instance that other software, including, without limitation, the Deliverables, distributed with such software code be (i) disclosed or distributed in source code form; (ii) licensed for purposes of making derivative works; and/or (iii) redistributed at no charge. Open source software also includes, without limitation, any software subject to an open source license, including, but not limited to, any license meeting the Open Source Definition (as promulgated by the Open Source Initiative) or the Free Software Definition (as promulgated by the Free Software Foundation) or any similar license.

2.10 Supplier warrants that the Deliverables: (a) do not contain any restrictive devices such as any key, node lock, time-out, time bomb, or other function, whether implemented by electronic, mechanical, or other means, which may restrict or otherwise impair the operation or use of the Deliverables or any material embodying or comprising Deliverables; and (b) shall be free of viruses and other harmful code (including, without limitation, time-out features) which may interfere with the use of the Deliverable(s) regardless of whether Supplier or Supplier Personnel purposefully placed such code in the Deliverable(s). In addition to exercising any of Purchaser's other rights and remedies under this Agreement or otherwise at law, Supplier shall provide Purchaser, free of charge, with any and all new versions, upgrades, updates, releases, maintenance releases, and error or bug fixes of the Deliverables (collectively, "Revised Code") which prevents a breach of any of the warranties provided under this Agreement or corrects a breach of such warranties. Revised Code contained in Deliverables constitutes Deliverables for purposes of this Agreement.

2.11 Supplier represents and warrants that no third party software will be included in the Deliverables without first informing Purchaser in writing of the particulars thereof and obtaining Purchaser's express prior written approval thereof.

2.12 The warranties set forth in this Section 2: (a) survive the inspection, acceptance, and use of the Services and Deliverables by Purchaser; and (b) are in addition to any warranties, rights, and/or remedies to which Purchaser may otherwise agree to in writing or which are provided at law. The term of those Supplier warranties set forth in Sections 2.2(a), 2.6, and 2.8 will be for a period of twenty-four (24) months from Purchaser's written acceptance. All other warranties of Supplier set forth in this Agreement survive in perpetuity.

### **3. Indemnification**

3.1 Supplier shall to the fullest extent permitted by applicable law, defend, indemnify, release and hold Purchaser, Purchaser Affiliates and its and their respective directors, officers, employees, agents, representatives, successors and assigns (each an "Indemnitee") harmless from and against any and all suits, actions, or proceedings, at law, and from any and all claims, demands, losses, judgments, fines, penalties, damages, costs, expenses, including attorneys' fees and expenses, or liabilities (including, without limitation, claims for personal injury, death, or property damage) arising from any act or omission of Supplier or Supplier Personnel, except to the extent attributable to the sole and direct gross negligence of Indemnitee. In case of a claim against an Indemnitee by a Supplier Personnel or anyone for whose acts he may be liable, the indemnification obligation set forth in this Section shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for Supplier or any Supplier Personnel under any applicable workers' compensation, disability or other employee benefit or act. Supplier agrees to include a clause substantially similar to the preceding clause in all subcontracts it enters into related to its fulfillment of this Agreement.

3.2 Supplier shall indemnify, defend and hold each Indemnitee harmless from all costs and expenses related to any suit, claim or proceeding brought against any Indemnitee or their respective customers based on a claim that any article or apparatus, or any part thereof constituting goods or services furnished under this Agreement, as well as any device or process necessarily resulting from the use thereof, constitutes an infringement of any patent, copyright, trademark, trade secret or other intellectual property right of any third party. Purchaser shall notify Supplier promptly of any such suit, claim or proceeding and give Supplier authority, information, and assistance (at Supplier's expense) for the defense of same and Supplier shall pay all damages and costs awarded therein. Notwithstanding the foregoing, any settlement of such suit, claim or proceeding shall be subject to Purchaser's prior written consent, such consent not to be unreasonably withheld. If use of said article, apparatus, part, device or process is enjoined, Supplier shall, at its own expense and at its option, either procure for Purchaser the right to continue using said article or apparatus, part, process or device, or replace the same with a non-infringing equivalent.

3.3 Any Indemnitee desiring to make a claim for indemnification hereunder shall promptly provide Supplier notice of such claim which Indemnitee believes falls within the scope of this Section; provided, however, that the failure by Indemnitee to provide such notice shall not affect Supplier's obligations under this Section to the extent that Supplier is not materially prejudiced thereby. Indemnitee may at its own expense employ separate counsel and participate in the defense. In no event shall Supplier settle any claim without Indemnitee's express written consent unless such settlement includes a full release of Indemnitee from all known and unknown liabilities arising out of the facts giving rise to the claim. Supplier further agrees to indemnify Indemnitee for any attorneys' fees or other costs or expenses that Purchaser incurs in the event that Purchaser has to file a lawsuit to enforce any indemnity or additional insured provision of this Agreement.

### **4. Limitation of Liability**

IN NO EVENT SHALL PURCHASER OR ANY PURCHASER AFFILIATES BE LIABLE TO SUPPLIER FOR ANY INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, PUNITIVE, OR CONSEQUENTIAL DAMAGES OF ANY KIND (INCLUDING, BUT NOT LIMITED TO, LOSS OF REVENUE OR ANTICIPATED PROFITS, OR LOST BUSINESS) REGARDLESS OF WHETHER OR NOT PURCHASER OR ANY PURCHASER AFFILIATES HAS BEEN ADVISED OF THE POSSIBILITY OF ANY SUCH DAMAGES OR SUCH DAMAGES COULD HAVE REASONABLY BEEN FORESEEN BY PURCHASER OR ANY PURCHASER AFFILIATE.

### **5. Confidentiality; Intellectual & Physical Property**

5.1 Supplier agrees that the terms and existence of this Agreement, as well as all information and material disclosed by Purchaser to Supplier, and all information and material that Supplier or Supplier Personnel develops under this Agreement constitutes "Purchaser Confidential Information". Supplier and Supplier Personnel will not disclose Purchaser Confidential Information to any third party person or entity, except to the extent required by a court or government agency order or rule (provided that Supplier first gives Purchaser immediate written notice of such order or rule and sufficient time to enable Purchaser to have the opportunity to quash or limit the scope of said order or rule). Supplier may disclose Purchaser Confidential Information only to those Supplier Personnel (only if previously approved

by Purchaser in writing and only if Supplier and such Supplier Personnel have previously signed a confidentiality agreement that is consistent with the terms of this Section 5) who possess a legitimate need to know for purposes of fulfilling Supplier's obligations to Purchaser under this Agreement, and may use Purchaser Confidential Information only for such purposes. Purchaser Confidential Information does not include information that is or becomes publicly available without restriction to Supplier or Supplier Personnel, or any other person through no wrongful act of Supplier or Supplier Personnel. All Purchaser Confidential Information is and remains the property of Purchaser, and upon Purchaser's written direction, Supplier will promptly return or destroy (with such destruction certified in writing by Supplier) all Purchaser Confidential Information, along with all copies and portions thereof, to Purchaser. No such return or destruction of Purchaser Confidential will affect the confidentiality obligations of Supplier or Supplier Personnel all of which will continue in effect as provided in this Agreement. Without waiving any other rights that Purchaser may have and notwithstanding anything to the contrary herein, Purchaser may immediately terminate with cause (with no right to cure) this Agreement upon written notice to Supplier in the event that Supplier, including any Supplier Personnel, uses or discloses Purchaser Confidential Information other than as expressly permitted in this Section.

5.2 Notwithstanding anything to the contrary, Supplier will ensure that nothing that Supplier discloses to Purchaser constitutes confidential information of Supplier, including Supplier Personnel, or any third party. In the event that Supplier wishes to disclose, and Purchaser desires to receive, any such information, the Parties agree that they will separately execute a non-disclosure agreement prior to any such disclosure.

5.3 Supplier agrees that Purchaser Confidential Information shall be subject to the organizational, technical, and physical controls and other safeguards set out in the Purchaser Privacy and Data Protection Supplemental Appendix, incorporated herein and available at <http://www.gesupplier.com/html/GEpolicies.htm> ("PDP"). If Supplier has access to "Purchaser Restricted Data," "Sensitive Personal Information," "Controlled Data," or a "Purchaser Information System" as defined in the PDP, Supplier agrees to apply such additional safeguards and to grant Purchaser such additional rights as are set out in the PDP in connection with any such data and systems.

5.4 Purchaser shall be the exclusive owner of all Deliverables and all intellectual property rights (including trade secrets, copyrights, moral rights, database rights and patents) thereto. Except as provided by Italian Law No. 633/1941 as amended from time to time, all Deliverables considered "*works made for hire*" under the U.S. Copyright Act of 1976 shall be considered "*works made for hire*" under this Agreement. For all other Deliverables, including any works of authorship thereto that are not considered works made for hire under the U.S. Copyright Act of 1976, Supplier hereby assigns to Purchaser all right, title and interest to the Deliverables and all intellectual property rights thereto. To the extent that any Supplier, including Supplier Personnel, pre-existing materials (including third party or open source software) are contained in the Deliverables, said pre-existing materials must be described as such in the applicable SoW ("Supplier Materials"), and Supplier (on its behalf and on behalf of Supplier Personnel) hereby grants Purchaser an irrevocable, worldwide, nonexclusive, paid-up, royalty-free, sublicenseable (through all tiers of sublicensees) right and license to use, execute, reproduce, perform, display, distribute, and prepare derivative works of such Supplier Materials and derivative works, and to make, have made, use, sell, offer for sale and import products and processes utilizing such pre-existing materials, but in any case limited to the extent needed by Purchaser to exploit the Deliverables. Upon Purchaser's request and at Supplier's expense, Supplier will provide Purchaser with such assistance as Purchaser may require, including whatever documents, information or materials are in Supplier's possession or available to Supplier, in order to enable Purchaser to protect its ownership rights, including copyrights and patents, in any Deliverables. With respect to inventions for which Purchaser wishes to seek patent protection, Supplier agrees to secure all necessary agreements with Supplier Personnel to ensure assignment of their interests in each such invention to Purchaser. Supplier at its expense will take all reasonable steps necessary to secure cooperation of Supplier Personnel with Purchaser in filing such patent applications, including obtaining the signatures of inventors on all necessary legal documents.

5.5 Purchaser's Physical Property. Unless otherwise agreed in an SoW hereunder, all tools, equipment or material furnished to Supplier or specially paid for by Purchaser, including, but not limited to any computer software product and related information developed by Supplier, its Affiliates and/or their successors and assigns, and any related items, and any replacement thereof, or any materials affixed or attached thereto, shall be and remain Purchaser's personal property ("Purchaser's Physical Property"). Such property shall be plainly marked as Purchaser's property and shall be safely stored separate and apart from Supplier's property. Supplier shall not substitute any Purchaser's Physical Property without Purchaser's prior written approval. Such property, while in Supplier's custody or control, shall be held at Supplier's risk, and shall be kept insured by Supplier at Supplier's expense as further specified in Section 7 below. Purchaser's Physical Property shall be subject to removal at Purchaser's written request, in which event Supplier shall prepare such property for shipment and shall redeliver it to Purchaser at Supplier's expense in the same condition as originally received by Supplier, reasonable wear and tear excepted.

## **6. Charges, Payments and Taxes**

6.1 The Services and/or Deliverables shall be provided at the rates specified in any SoW or PO, (collectively, the “Fee(s)”), without increase during the Term of this Agreement or for the duration of such SoW or Purchase Order. Except as otherwise agreed in the applicable SoW, Supplier shall be responsible for all costs and expenses incidental to the performance of Services, including all costs of doing business incurred by Supplier, and Purchaser shall have no obligation to Supplier or Supplier Personnel for any such fees or expenses. Neither periodic payments nor final payment shall constitute evidence that the Services and/or Deliverables were performed in an acceptable manner to Purchaser. Any amount owing at any time from Supplier to Purchaser or any Purchaser Affiliates for Services performed or related to this Agreement may be set off against any amounts due and payable by Purchaser to Supplier.

6.2 Supplier must submit all invoices in electronic form pursuant to Purchaser’s instructions, including its data transmission methods and formats (which for illustrative purposes only, may include Web invoicing, evaluated receipt settlement or electronic data interchange) unless otherwise prohibited by government regulations. Facsimile, email, and scanned documents are not acceptable electronic forms for invoices. Invoices must be submitted no later than ninety (90) days after completion of the Services and/or delivery of the Deliverables, or as otherwise specified in the applicable PO. Purchaser shall deem any invoice invalid that is received more than ninety (90) days after the above date, unless specific terms to the contrary are acknowledged by Purchaser in writing. In order to be deemed acceptable, each invoice shall include, at a minimum: Supplier’s name and address, Purchaser’s PO number, a description of the Services and/or Products which matches the PO, the total amount billed, any travel and living expenses (“T&L Expenses”) or other permitted expenses (separately itemized) and any other information expressly agreed to by the Parties in writing. Fees, costs or any other expenses shall be payable Purchase within, and at the expiry date of, the terms agreed subject to: (i) successful completion of acceptance test of the Services and/or Deliverables (ii) receipt of a completed invoice as above; provided Purchaser may withhold payment of any disputed amounts in good faith pending resolution of such dispute. Supplier agrees that no such dispute shall affect the performance of Services, including the delivery of Products, under the PO in question or under any other outstanding PO. Unless prohibited by law, there shall be no service charges, penalties or interest charged Purchaser for late payment(s).

If Supplier is enrolled in the Purchaser Accelerated Payment Program, Purchaser or the applicable Purchaser Affiliate shall implement early payment discounts for invoices paid before their Net Dates, as set forth in the Purchaser Accelerated Payment Program described in a specific document agreed between the Parties.

Notwithstanding anything set forth in this Agreement, Purchaser shall not be required to pay or reimburse any portion of Fees, expenses or charges to the extent such payment is prohibited by applicable law or regulation.

The Fee(s) shall not include applicable transaction taxes. If Supplier is required to pay any federal, state, county, provincial or local value added, sales and use, withholding and/or goods and services tax, or similar applicable tax(es) by law based on the Services and Deliverables provided, Supplier shall include a line item for such taxes on all invoices (identifying type and amount thereof) and shall assume sole responsibility for tracking such taxes. Supplier shall ensure that the Fees are invoiced to Purchaser in accordance with applicable rules so as to allow Purchaser to reclaim any such value added and/or similar tax from the appropriate government authority. Supplier shall timely remit to the appropriate governmental tax agency all such taxes collected from Purchaser, or the Purchaser Affiliate issuing and executing the applicable SoW. Nothing in this Agreement, however, shall require Purchaser to pay any payroll, property, franchise, corporate, partnership, succession, transfer, income, excise, profits withholding taxes or income tax of Supplier. In the event Purchaser is required by (1) applicable law, (2) government regulation or (3) tax authority having jurisdiction over Supplier’s activities in connection with this Agreement to withhold taxes for which Purchaser and/or Supplier is liable, Purchaser shall deduct such withholding tax from payment to Supplier and provide to Supplier a valid tax receipt or other applicable documents in Supplier’s name. If Supplier is either exempt from such withholding taxes or entitled to a reduced rate of withholding tax as a result of a tax treaty or other regime, Supplier shall provide to Purchaser a valid tax treaty residency certificate or other applicable tax exemption certificate at a minimum of thirty (30) days prior to payment being due. Should either Party realize that any tax included or omitted as a result of the transactions hereunder was made in error, the Parties shall cooperate to resolve such overpayment or underpayment. To the extent that Purchaser pre-approves in writing to Supplier, Purchaser shall reimburse Supplier for all necessary and reasonable travel, living and other related T&L Expenses in accordance with Purchaser’s then current Travel & Living policy which Supplier acknowledges that a then current version can be found at the following Internet address <http://www.gesupplier.com/html/GEpolicies.htm>. Supplier shall either invoice T&L Expenses separately or clearly itemize such expenses on its invoices to Purchaser.

## **7. Insurance**

During the Term of this Agreement, Supplier shall, at its own cost and expense, obtain and maintain, and cause all its contractors, suppliers and subcontractors to obtain and maintain, in full force and effect, with insurance carriers with a minimum A.M. Best’s rating of A-: VII, or S&P A, or better, or the equivalent in those jurisdictions that do not recognize such rating classification, and licensed to provide insurance in the jurisdiction in which Services are to be performed,

insurance consistent with the guidelines set forth in Appendix B as commercially reasonable and necessary depending on the nature and scope of Services and/or Deliverables to be provided. Purchaser, Purchaser Affiliates, and their respective directors, officers, agents and employees shall be named as additional insured under the General/Public Liability policy set forth in Appendix B to the extent of Supplier's negligence arising out of performance of the Services hereunder and to the extent of applicable limits of such policies. The foregoing may be satisfied either by blanket endorsements or specific policy endorsements and Supplier shall provide evidence of same upon request by Purchaser. It is the intent of both Purchaser and Supplier that all insurance purchased by Supplier in compliance with this Agreement will be primary to any other insurance owned, secured, or in place by Purchaser, which insurance shall not be called upon by Supplier's insurer to contribute in any way. Upon request by Purchaser, Supplier shall furnish Purchaser with certificates of insurance and with signed endorsements affecting coverage required by this Section 7. Coverage required hereunder shall not lapse via cancellation, termination or alteration without thirty (30) days prior written notice to Purchaser. Supplier and its insurers waive any right of recovery against Purchaser and Purchaser's insurers for any loss or damage that is covered by any insurance policy maintained or required to be maintained with respect to the Services. The foregoing may be satisfied either by blanket endorsements or specific policy endorsements and Supplier shall provide evidence of same upon request by Purchaser.

## **8. Compliance with Purchaser Policies**

8.1 Supplier agrees that any Supplier Personnel who provide Services on Purchaser's premises comply with Purchaser's standard and site-specific safety, security policies and agrees to use materials that are not prohibited according to Purchaser's Procedure SCM\_01/2017. In case of doubts on the above policies and/or procedure, Supplier will request to Purchaser. Supplier shall exercise its best efforts to assure that none of its Supplier Personnel pose a threat to the safe working environment at the Purchaser site, or a threat to the integrity of the business operations. Upon Purchaser's written and motivated request, Supplier agrees to replace any Supplier Personnel who fail to comply with Purchaser's standard and site specific policies.

8.2 Supplier acknowledges that it has read and understands the Purchaser Integrity Guide for Suppliers, Contractors and Consultants, which may be updated or modified by Purchaser from time to time (the "Guide") located at the following Internet address <http://www.gesupplier.com/html/SuppliersIntegrityGuide.htm>.

Supplier agrees to fully comply with all relevant requirements of the Guide with regard to provision of the Services. Moreover, Supplier agrees to comply with "Supplier Avio Aero Code of Conduct" (including its re-editions).

Without limitation, the Parties mutually acknowledge that the violation of the above provisions shall be deemed a material breach incapable of cure and Purchaser will have the right to suspend and/or terminate the Agreement.

8.3 To the extent permissible by applicable law, Supplier shall, through the utilization of an authorized background checking agency, perform background checks as set out in Appendix C prior to (a) stationing any Supplier Personnel to perform Services at any Purchaser location, facility or work site (for purpose of clarity, "stationing" shall not include periodic attendance or visits to such locations, facilities or work sites); (b) granting access to Purchaser networks (such as having a Purchaser issued single sign-on account) to Supplier Personnel to provide the Services; (c) assigning Supplier Personnel to duties that are directly related to the safe operation or security of a Purchaser facility or piece of equipment and which, if not performed properly, could cause a serious environmental, health or safety hazard to employees or the general public; or (iv) assigning Supplier Personnel to a Purchaser worksite that is designated in its entirety as "security sensitive," even though the work responsibilities, if performed in another context, would not be security sensitive; and after securing appropriate written authorization from its Supplier Personnel.

Without limitation to the foregoing, neither Party has any right, power, or authority to act or to create any obligation, express or implied, on behalf of the other. **14.1 Liquidated Damages for Late Delivery.** Supplier acknowledges that the Performance Schedule is critical and material to performance of the SOW and for the avoidance of substantial loss to Purchaser, and that Supplier's unexcused failure to meet the Performance Schedule without Purchaser's written consent may lead to the application of liquidated damages as specified in this section. In the event that any performance is delayed beyond the Performance Schedule due to any causes not expressly excused by the terms of the Agreement, Supplier shall pay to Purchaser the following, as liquidated damages, and not as a penalty, a sum equal to 0,5% of the PO value per day of delay.

**14.2 Liquidated Damages for Failure to Perform.** Supplier guarantees that the Services and/or Deliverables shall achieve the service levels (if any) and shall meet the Specified Acceptance Criteria (if any) and the Agreement. If the Services and/or Deliverables fail to achieve the service levels and/or meet the acceptance criteria specified herein, Supplier shall be afforded a period by Purchaser during which it can correct and adjust the Services and/or Deliverables (the "Correction Period"). If, when re-tested at the end of the Correction Period, the Services and/or Deliverables again fail to achieve the performance guarantees, Supplier shall pay to Purchaser the following, as liquidated damages, and not as a penalty: a sum equal to 50% of the PO value.

**14.3 No Waiver.** The above liquidated damages are a genuine pre-estimate by the Parties of the losses which Purchaser will suffer in the event of Supplier's delay or failure to perform. The payment of liquidated damages under this section shall not relieve Supplier from its obligations to diligently complete the Services and/or Deliverables or from any other obligations and liabilities under the Agreement or this SOW, and shall not constitute a waiver of any term of the Agreement or SOW, or of any right of Purchaser at law.

The rights and remedies of Purchaser and its Affiliates set forth herein are not exclusive. The Purchaser is entitled to obtain from Supplier any other damages in excess to the LDs above.

#### **15. Severability**

#### **16. Assignment**

Supplier shall not sell, assign, delegate, subcontract or otherwise transfer any of its rights or obligations hereunder without the prior written consent of Purchaser, and any attempt to do so in contravention of the foregoing is hereby deemed null, void and with no effect. The Parties intend that the dispute resolution process set forth in this Article will be their exclusive remedy for any dispute arising under or relating to this Agreement or its subject matter. Any claim against Purchaser shall be barred unless Supplier has requested that it be resolved by arbitration in accordance with this Article within one year of the dispute, which shall be the effective date of termination if the dispute is related to termination.
